SUBJECT:-- Revision proposals of t
the Sri Venkataramanaswami temple at --
Talakayalabetta in the Sidlaghatta Taluk.

--:oOo:--

I beg to submit herewith proposals for fixing a scale of expenditure in the Sri Venkataramanaswami temple at Talakayalabetta.

2. The temple is a Muzrai Institution endowed with the *marginally noted Inam lands and villages. No regular scale of income and expenditure till now has been fixed. Mr. G. Aravamudier,ar formerly Muzrai Superintendent visited the temple in September 1917 and formulated proposals for fixing a regular scale in consultation with the local officers and others interested in the Institution. The proposals were drawn up on the presumption that the archakas who are Sadanis by caste would occupy the lands in their possession in lieu of the payments. The proposals having been referred to the Deputy Commissioner,

Kolar District for an expression of his opinion, he states that the archaks would like to keep the Inam villages in their own possession and that they may be allowed to do so. Though the Archaks have absolutely no right to be in possession of the Inam villages, which belong Devadava, can undoubtedly be leased to any-body by Government to the best advantage of the institution, they will be allowed to remain in possession of them for the present.

The archaks will be clearly informed that the villages are left in their possession as a temporary measure, subject to the maintenance of the required establishment and the performance of the nityanaitha and Hetchukattu services as laid down in the scale and that it is open to Government to resume the villages at any time for failure to comply with these conditions, or failure to render correct accounts of the income and expenditure, or for any other reason which they may consider sufficient. A muchalika embodying these conditions will be taken from the archaks.

I agree in his view. Wh is quite equitable & safe too

3. The proposals originally formulated have therefore been suitably modified and a statement embodying the modifications and alterations suggested by the Commissioner is herewith submitted. These proposals result in an annual expenditure of Rs. 1,073-4-0 against

an approximate average receipt of R. -- 2,122-4-0 exclusive of the income derived from the inams in the possession and enjoyment of the archaks.

4. A sum of R 5,000/- out of the cash balance available at the credit of the temple has already been appropriated towards the general Muzrai fund. -- Provision is made in the scale for the levy of the usual percentage contribution towards the Muzrai Establishment Fund which cannot be waived without giving room to inconvenient and embarassing precedents and which the institution can well afford to bear.

5. In these circumstances I beg to solicit the sanction of Government to the revision proposals herewith submitted.

6. Letter No. R.O.C.2980/17-18 dated 6th December 1920 from the Deputy Commissioner, Kolar, together with its enclosure is submitted for reference and kind return

Note No. R. C. 323 of 20-21, dated 31st May 1921, from the Muzrai Superintendent in Mysore, submitting proposals as hereunder regarding the revision of the scale of income and expenditure in the Sri Venkataramanaswami temple at Talakayalabetta in the Sidlaghatta Taluk.

NOTE

Subject.— Revision proposals of the Sri Venkataramanaswami temple at Talakayalabetta in the Sidlaghatta Taluk

I beg to submit herewith proposals for fixing a scale of expenditure in the Sri Venkataramanaswami temple at Talakayalakonda.

2. The temple is a Muzrai Institution endowed with the Inam lands and villages, as per statement appended. No regular scale of income and expenditure till now has been fixed. Mr. G. Aravamudu Iyengar, formerly Muzrai Superintendent, visited the temple in September 1917 and formulated proposals for fixing a regular scale in consultation with the local officers and others interested in the Institution. The proposals were drawn up on the presumption that the archaks who are Satanis by caste would surrender the lands in their possession in lieu of cash payment. The proposals having been forwarded to the Deputy Commissioner of the Kolar District, for an expression of his opinion, he states that the archaks would like to keep the Inam villages in their own possession and that they may be allowed to do so. Though the Archaks have absolutely no right to be in possession of the Inam villages, which being Devadaya can undoubtedly be leased to anybody by Government to the best advantage of the institution ; they will be allowed to remain in possession of them for the present.

The Archaks will be clearly informed that the villages are left in their possession as a temporary measure, subject to the maintenance of the required establishment and the performance of the Nityakatle and Hetchukatle services as laid down in the scale and that it is open to Government to resume the villages at any time for failure to comply with these conditions, or failure to render correct accounts of the income and expenditure, or for any other reason which they may consider sufficient. A mutcha'ika embodying these conditions will be taken from the Archaks.

3. The proposals originally formulated have therefore been suitably modified and a statement embodying the additions and alterations suggested by the Deputy Commissioner is herewith submitted. These proposals result in an annual expenditure of Rs. 1,072-4-0 against an approximate average receipt of Rs. 2,122-4-0, exclusive of the income derived from the inams in the possession and enjoyment of the Archaks.

4. A sum of Rs. 5,000 out of the cash balance available at the credit of the temple has already been appropriated towards the General Muzrai Fund. Provision is made in the scale for the levy of the usual percentage contribution towards the Muzrai Establishment Fund which cannot be waived without giving room to inconvenient and embarassing precedents and which the institution can well afford to bear.

5. In these circumstances I beg to solicit the sanction of Government to the revision proposals herewith submitted.

No. 4414-6—Muz. 587-20-2, dated 11th June 1921.

6. Letter No. R. O. C. 2980—17-18, dated 6th December 1920, from the Deputy Commissioner, Kolar, together with its enclosure, is submitted for reference and kind return.

Order No. 4414-6—Muz. 587-20-2, dated 11th June 1921.

Government are pleased to sanction the proposals of the Muzrai Superintendent in regard to the enjoyment of the inam lands endowed to the temple in question as a temporary measure. The scale of expenditure proposed is suitable and is accordingly sanctioned.
